

PlotIQ Property Report

Property Score: 90

Grade: Excellent

Terrain: Flat

Flood Risk: Low

Utilities: Likely Available

AI Summary

This property has an investment grade of Excellent. It sits 14.3 meters above sea level and is approximately 2014 meters from the coastline. The flood risk is low.

Recommendations

- Outside FEMA floodplain.
- No wetland restrictions.
- Far from coastline.
- Low elevation increases flood exposure.

Suitable for residential and commercial investment.
