

PlotIQ Property Report

Property Score: 85

Grade: Very Good

Terrain: Flat

Flood Risk: Low

Utilities: Likely Available

AI Summary

This property has an investment grade of Very Good. It sits 13.0 meters above sea level and is approximately 764 meters from the coastline. The flood risk is low.

Recommendations

- Outside FEMA floodplain.
- No wetland restrictions.
- Close to coastline.
- Low elevation increases flood exposure.

Suitable for residential and commercial investment.
